Date of birth : 24.06.1998

Place of birth: Trostberg

Citizenship : Germany

About me

A highly motivated and curious international student looking for an internship to learn everything about the wine culture. During my studies, I have already gained solid knowledge in economics, as well as in the French language and culture. As a waitress, farmer's market vendor and team sportswoman, I am used to flexible working hours and stressful situations. I wish to utilise these skills to support your team.
